SeaPerch Underwater Robotics

35mm Film Canisters Needed.

If you have any 35mm film canisters you do not need, please bring them by LCHS to support Robotics. Why? To waterproof motors. What Motors? The ones for the underwater robots.

This spring, LCHS will be starting SeaPerch, an underwater robotics program, where students build and remotely control their robot through an underwater obstacle course. Students will learn electronic and technical skills including soldering.

If your student is interested in joining, please Mr. Sebastian in Room R10 or joe.sebastian@lfcinsc.org.

Karaoke Night Thursday

Bring your best singing voice and
join us for:

Karaoke Night
Thursday, February 17th
6-9pm in the LCHS Quad

Entry fee is \$5 at the door.
