Distance Learning at Home for A-L Students.

## Robotics Season Has Started

The official robotics season has started and FIRST (For Inspiration and Recognition of Science and Technology) has just released new challenges for this year since all teams will be competing from home. They include INFINITE RECHARGE, which was last year's challenge, and Innovation Challenge, which is to solve a real world problem and present it electronically. While the team is focusing on building a robot, we have opportunities to pursue the Innovation Challenge. In addition to STEM, students have the opportunity to learn soft skills such as leadership, teamwork, public speaking, time management, and project management.

Additionally, if you would like to participate as a mentor or work for a big corporation such as Motorola, Ford, etc., that might offer funding grants, please contact Mr. Joe Sebastian ([joe.sebastian@lfcinc.org](mailto:joe.sebastian@lfcinc.org)).

Thank you for your support.

## Missing Work Due Now

If you have missing work to turn in, Friday, January 29th is the last day to turn it in to have it reflect in your semester 1 grade.

Contact your teacher directly to make arrangements.

## Athletic Director CIF Sports Update

All parents of athletes are invited to join Mrs. Dunton for a CIF Sports Update on:

Monday, Feb. 1 @7pm

[Join Zoom Link](#)

Meeting ID: 843 4712 8159

Passcode: Xr0TJ1

## InsideOut Coaching Zoom Study

Coach Dunton, Athletic Director, will be hosting a zoom book study of [InsideOut Coaching](#) by Joe Ehrmann.

This book contains the foundational principals of the LFCS Athletic Program. Books will be provided for this four zoom meetings study.

Please contact Coach Dunton at [linn.dunton@lfcinc.org](mailto:linn.dunton@lfcinc.org) if you are interested in joining the zoom study.

Hope you can join us!
