Thank You Parents!

We appreciate your generous response to our need for individual water bottles for our students.

Thanks to you every classroom has a supply of water bottles available for students that run out of water.

Recess/Sports Equipment Fundraiser

Due to strict county mandates, our school has found it necessary to supply each classroom with its own class set of Recess/Sport equipment to be used throughout the year.

Your donation will help meet this need in a difficult time for schools and students alike. Thank You.
