## LFCS Helping Students in Texas

Thousands of Houstonians have lost everything due to Hurricane Harvey. As a charter school community we have connected with another charter school community that has felt the impact of this storm. We'd like to share some hope with these students in Houston by raising funds that will be given directly to YES Prep Public Schools, students, families, and staff to help them restore their lives after this tragic event.

Campaign will run from September 11-29th. Bring your change and/or small bills to deposit in the bins in the High School office. Checks made out to LFCS are also accepted.

Thank you for your donations!
