California Charter School Association Parent Group—"Charter Nation"

The California Charter Schools Association has a "parent" group, called the CHARTER Nation. This group of parents stay informed and active regarding legislation and issues that impact and effect our "charter nation". We feel as parents that have made the choice to place your children in a charter school, it is important that you be informed on issues that could change the status of our choice in being a charter school. So, in order to allow you the greatest access to this opportunity of information, our PTLC is joining with Charter Nation so that we can keep you informed. However, this requires you to do something to get the information. Please see the attached notices from CCSA and the Charter Nation. This is completely a voluntary ask. We will not give your information out. However, if you choose to give your information to our PTLC they will in turn connect with Charter Nation so that they can keep you informed. This is a good thing and one the administration of LFCS supports. Thanks for taking an interest in the education of your children! It's important that you stay informed on matters effecting your student's education and well being.

Homecoming Week & Unity Days

Homecoming Week will be October 24-28th, Unity Day activities will start on October 26th. We would love to have parent volunteers during Unity Days. If you can volunteer please contact the high school office at 619-668-2131 or email ali.degraffenreed@lfcsinc.org.

Awesome Works of Art

Mrs. Dulay and about 20 of our art students participated in the Little Italy Chalk Art Festival this past weekend.

They completed two amazing 8 x 8 ft. pastel works of art. If you didn't make it this year, we hope you will join us next year.
